Welcome to St James' church family,

Our new season begins with an All Age service at 9:30 in church on Sunday 14th September. This is a shorter service and is specially tailored to engage new families and small children.

This will be followed by a Walking Treasure Hunt around the business park opposite the church.

There will be an adult version but also running alongside, one for the children searching for painted pebbles.

On arrival back at church, there will be a barbecue with time for you enjoy the food and a brew, to chat and get to know us and each other.

Please feel free to bring along family and friends. All are welcome.

All we ask is that you give the school office the numbers in your party to give us a rough idea of the numbers we are catering for.

We hope you can join us.
Your friends at Altham St James
