24th September 2025

Dear Parents

HARVEST SERVICE

We will be holding our annual harvest service on Thursday 9th October.

The Harvest Service will be **at church starting at 9.00am**. Please ensure you take your child directly to church, where **staff will be at the church gates from 8:50am**. We will walk the children back to school after the service.

Breakfast Club will still be open in School and the teachers will walk the children to Church.

- Parents are welcome to attend the service but do not have to.
- Children may bring harvest gifts, perishable items are not a good idea as they won't be distributed until after Sunday's Church Service, however donations of useful items ie toothpaste/soap/tinned, boxed & packets of non perishable food are more than welcome.
- The gifts will be kept in church over the weekend to join with the church celebration on Sunday morning at 9.30am. All gifts/donations will go to the foodbank in Clayton le Moors to help those in need.

The church Harvest service will start at 9:30am on Sunday 12th October, you are more than welcome to attend this service.

Yours sincerely

Mrs C Woods
Headteacher
